If you need to tell us more please turn over and write on the back of this sheet.

Would it be OK to use your facilities such as toilet, water if needed when we pick up/drop off your pooches please? YES/NO

(Because sometimes we're caught short and don't like to leave the dogs outside petrol stations, supermarkets etc. whilst we run in, plus the rural locations we usually go to don't have facilities en route.)

If you are happy for us to use your facilities can you please let us know where they are so that we are not wandering through your house unnecessarily

Also, do you have an outside hose that we can use to wash off/cool down your pooches before we drop them off if needed please? YES/NO If so, where?

It is sometimes difficult to predict timings due to traffic, the locations of other dogs, areas we take them too etc. so if you are happy to provide 2 keys please (as there are 2 vehicles) or let us know where one will be left then that would be very useful thank you. We are fully insured and DBS checked so your keys/house/pooches are in safe hands.

As mentioned earlier, all dogs must wear a collar and identification, should we feel that your dog’s collar or lead is unsuitable then we reserve the right to use our own harnesses, collars or leads whilst exercising you dog(s) which are more suited to the activity.

Should your dog become sick or injured then we reserve the right to find the nearest vet if the severity of the illness or injury is such that we feel it’s not in your dog’s best interest to go to their own vet if it means travelling further and therefore risking your dog’s health and/or life.

We require at least one month’s notice* for holiday breaks from our services and also for any increase or decrease in the number of days’ service you require from us. We will also inform you at least one month in advance of our intentions to take holiday* (*where possible, under extreme circumstances we will try to come to a suitable arrangement).
